

Class 2 Autumn Term 2017

Welcome back to Class 2

Don't forget - Class 2 Welcome Meeting on
Friday 8th September at 2:45

We will meet in the hall for an informal chat about how you can help your child throughout the year

Our topic this half term will be **Woodlands, Trees and their Friends**

We will be finding out:

- How to create art work using natural materials
- About the animals, plants and birds in our local environment
- How to plant bulbs
- About the life cycle of a tree
- How to design and make our own bird feeders
- About different types of trees and seasonal changes

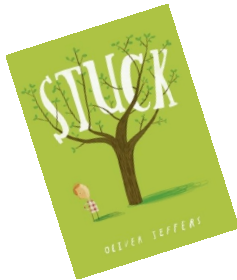

Our role play area will be a Bird Spotting Hut

***Look out for work on **Toys and Games** next half term;
it should be exciting!

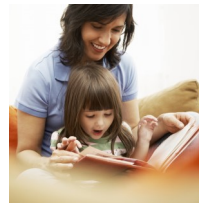

Work will include:

- Finding out about toys and games from the past
- Investigating magnets
- Designing and making puppets
 - Making Robots using 3D shapes

Our Authors of the Month this term will feature
Shirley Hughes, Mini Grey and Oliver Jeffers

The most important thing you can do to help your child is to hear them read regularly and talk to them about what they read.

It would be great if every child in Class 2 brought in a water bottle filled with fresh water every day.

Please ensure all items of clothing are clearly named.
It really does help!

If you have any concerns however small, please come and see me. It is better for me to meet with you at the end of the day as mornings can be quite busy! I am usually available every day after school.

I hope together we can make your child's time at school a happy time, full of fun and learning!

Jo Evans
