

Class 3 Autumn Term

Hello and welcome to what I think will be an enjoyable and challenging year in class 3. I hope that you all had a good break and have come back to school ready for another exciting year.

Our Topic for the term is Ancient Greeks.

We have linked this to our History curriculum and in Geography we will also look at Modern Greece.

This term we will be focusing on:

Science:

Forces/Levers

Sound and Light

RE

Local places of worship

Festivals of light.

French

Greetings/responses

PE

Football

Swimming

Computing

Communicating online

Designing a webpage

Art and Design

Pottery

Pop-up cards

It is expected that PE kit is brought in on Monday and left in school for the week due to the fact that it is sometimes necessary for PE lessons to take place on a different day. Indoor wear is shorts and t-shirt and a change of footwear of trainers or plimsolls is required for outdoor activities

Whenever possible, football will be outside and your child will need to have appropriate, warm clothing with them.

As usual earrings should be removed before the lesson or, if recently pierced, covered with a plaster. School will not provide the plaster.

This year children in classes 3 and 4 will be taught in their own classes for English and Maths. This means children will be taught within their peer group and with their friendship groups.

Homework will be spellings and multiplication tables to learn each week.

I have high expectations for every child in my care and am always happy to discuss your child's needs with you. If you would like to speak to me about your child's progress please feel free to see me at the end of the school day. If you wish to make a more formal appointment please contact the office to arrange a time convenient for both parties.

Logic can get you from A
to B.

Imagination can take you
anywhere.
