Dear Parents

School Improvement Plan

I am delighted to inform you that the school has received official notification from Jonathan Lewis, Service Director of Education for Cambridge and Peterborough, of the removal of the Local Authority Warning Notice issued last year. This is in recognition of the improvements which the school has made over the past academic year in data, quality of teaching and learning and governance and leadership.

We are immensely proud of how far the school has come on its journey of sustained improvement. The school vision to 'Aspire, Believe, Succeed and Excel' permeates throughout our school community, this has led to markedly improved outcomes and widened learning opportunities. We will continue to act upon the feedback from the Ofsted inspection to ensure that Friday Bridge Primary School continues to go from strength to strength - providing high quality education for all of our pupils.

I would like to thank all staff and governors for their commitment and dedication and to parents for their continued support. I would also like to thank the wonderful children of Friday Bridge who have grasped every opportunity with the determination to be successful learners.

Yours sincerely

Leonard Veenendaal
Chair of Governors
