Dear Parent

### Emergency School Closure

During possible adverse winter weather school will remain open providing there are enough staff members to offer adequate, safe supervision for the number of children present. If school remains open it is parents' responsibility to determine whether the route to school for them and their child is safe.

School may close if:

- Staff are unable to reach school due to difficult or dangerous access resulting in supervision issues
- Minimum temperatures are not reached in teaching and other areas

You are advised to view our website or listen to one of the local radio stations for closure details:

- Heart 103 and 102.7
- KLFM 96.7

Yours sincerely
