

NEWSLETTER

7th December 2017

Thank You

Donations for the Royal British Legion Poppy Appeal raised an amazing £225.16. The badges and other extra items on sale proved very popular.

On Children in Need day, we raised £164.09. Thanks again for your support and donations.

Thanks also to our School Council who played an active role in both these fundraising activities.

Your support at recent Open Sessions and enrichment afternoons is greatly appreciated.

Friday, 8th December - Non-Uniform Day

Please don't forget that in preparation for our Christmas Fayre, we ask that children bring in a tombola donation for Non-uniform day.

Maths Week, 11th - 15th December

Due to a clash, we are changing the Maths Open session for parents from Thursday 14th (this is our Party Day) to **Wednesday 13th**, we apologise for any inconvenience this may cause. Classrooms will be open from 2:15 - 3:00 pm for you to visit and share your child's learning in Maths with them. If you have children in more than one class, you might like to split your time between the classes. There will also be maths work in the hall for parents to view.

Monday 18th December

Details of this are in our Countdown to Christmas Newsletter.

Please can children from Class 3 and 4 wear Christmas themed clothes, eg Christmas jumpers, red/white/green, party clothes for the performances.

School Improvement Plan 2017-2018

I am very pleased that we have recently been informed by the Local Authority that our School Improvement Plan has been approved. This is now on our website, should parents wish to find out more about the actions being taken by the school to raise standards and secure improvement. Further updates will be provided throughout the school year. Should you have any questions regarding this please do not hesitate to contact us.

With a busy few days left of this term I would like to wish all of our families a very

Merry Christmas and Happy New Year.

I look forward to seeing many of you at our forthcoming events.

Sophie Foston
Headteacher
