

## Robins Class News Autumn A

We have had a fantastic start to the new school year and have all settled down well.

Our learning has been based around the topic 'Into the Woods' and we have enjoyed lots of different activities. Our author of the month was Julia Donaldson and we loved reading lots of her books, especially 'The Gruffalo'. We even made Gruffalo dens using natural materials we found on the school field.

We read lots of different story books based in the woods including The Wild Woods, Deep Dark Woods and Into the Forest. We then worked very hard to write our own stories set in the woods.

Our RE work has focused on Christianity and we enjoyed a visit to St Marks Church where we decorated the font for their Harvest festival.

In art, we made collages using natural materials and produced some great Transient art pictures using leaves, conkers and twigs.

Science has been good fun as we planted bulbs in wellington boots and are looking forward to watching them grow in the spring. We sorted seeds and investigated whether conkers, twigs and leaves would float or sink. We made some lovely Tree guidebooks all about Horse Chestnut trees too.
