## Welcome to our newsletter

An extremely warm welcome to the Summer Term 2023! We all hope that you have all managed some quality time to relax over the Easter break.

This really does promise to be a busy and exciting term. Class teachers will soon be sending out their curriculum news for you to help support your child's learning and also for you to know what lies ahead.

We are again looking to extend learning opportunities by continuing with class, whole school events and an extensive extra-curricular timetable! Full details will be shared in the usual ways using our newsletters and other media platforms, so please keep an eye out for special and important dates.

All staff have continued to be incredibly impressed in the way that the children have continued with such positive attitudes to their learning, constantly displaying such wonderful levels of excitement and enthusiasm.

Best wishes

Mr Elliott and The Friday Bridge Team

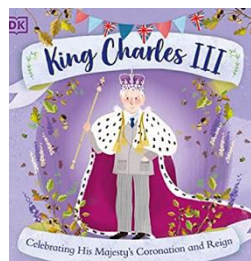

## Congratulations

Congratulations to Miss Fitzpatrick who got married during the Easter holidays in Scotland. Miss Fitzpatrick will now be known as Mrs McKie. I am sure you will all join me in wishing Mrs McKie and her husband all the happiness and best wishes for the future. We're all delighted for you!

### Coronation

The PTA will be holding a coronation fair on Saturday 6<sup>th</sup> May. If you have any items you could donate for the school's car boot stall, they would be very much appreciated and gratefully received. Thank you!

### Summer Term Clubs

Monday: Colouring  
Tuesday: Art/Craft and Homework  
Wednesday: Appleby Bushcraft and Yoga  
Thursday: POSH Sports and Gardening

### Breakfast Club

We all know that breakfast is the most important meal of the day, especially for children's growing brains and bodies. Children who attend a school breakfast club feel less tired and lethargic during the day. They are better able to concentrate and behaviour is better, too, because they don't have growly stomachs distracting them from their work. We all know that no one is at their best when they are hungry.

Breakfast club offer cereal, toast, bagels, fruit, juice, milk...

It is a chance for children to mix with children from other year groups and play with their friends before school starts helping them to focus more in lessons. After breakfast club, there is the opportunity to colour, play games, exercise or be supported in particular areas of learning such as reading and times tables.

It may also be free. Please contact the school office if you would like to book.
