## **Summer Term Collection**

During this final summer term we are asking for donations of craft and modelling materials such as bottle top lids, cardboard boxes, kitchen roll tubes etc. Please send cleaned card and plastic or fabric items into school. This will be only for our final term to build a bank of resources ready to be used creatively in the new academic year.

The school council and gardening club still need any plastic bottles to use for their greenhouse – there will be a prize at the end of the term for the class and child who brings the most bottles!

"The children had a lovely time learning about habitats (they chose a place to locate the hedgehog house the church had purchased for their grounds) and art work inspired by nature artist Andy Goldsworthy. The children were very inquisitive and curious. Vicki and Michelle from the church led a prayer and hymn. Children were given a bookmark with the lyrics of All Creatures Great and Small to remember their work. Thank you to the church for inviting us to use their peaceful grounds."

Mrs Suttle
