Dear Parents & Carers,

The past two weeks have been busy in school – last Friday our Y5s attended Cross Country at Wisbech Grammar School and this week we have had several visits from the Local Authority, looking at our new curriculum, and also providing training for governors.

Jewellery and PE

The local authority advice is that for PE children must remove jewellery. We have attached this guidance to your newsletter tonight.

Governor Corner

Maggie Barwell spent some time with Mrs Preston before Christmas looking at maths in Y5/6. She would like to share the following with parents and careers of Hawks Class –

Have you been on the school website recently?

We would just like to recommend some great maths games for you and your child to enjoy together. The games will all benefit your children's understanding of maths, so we hope you will give them a try! Thank you for all that you do to support your child's learning.

Attendance

Thank you for continuing to ensure your children are on the playground each day before 08:49 so they are in class ready to learn at 08:50, this will ensure your child makes the best possible progress.

If you have any queries or wish to discuss anything, please contact either of us using office@fridaybridge.cambs.sch.uk or call the school office. It is important that you use the office email address to ensure your emails are quickly directed to the right person.
