

Learning Together: Working as One
Aspire; Believe; Succeed; Excel

Ducklings

September 2020 Autumn A All About Me

In our topic we will be learning about ourselves and how we are all individual and unique.

We will start our topic off by getting to know each other and the school routines. We will find out what we like and dislike by looking at the text 'You Choose' whilst understanding that everyone is allowed to have different views.

We will then investigate our senses and how we use them and also look at why we have a skeleton inside our bodies.

In Art and Design we will be creating self portraits, exploring colour and also creating pictures ready for our Harvest festival.

English- We will concentrate on our fine motor and listening skills, ready to start our RWI phonics starting with phase 1 sounds.

We will enjoy a range of texts together, exposing children to as many high quality texts as possible and developing their love of stories.

Maths- We will start to look at counting and number recognition within 5 moving on to begin sorting and comparing groups, what is one more/one less to 5.

To develop our understanding of the concept of time, we will be investigating what happens at different times of the day.

Each week we will have a Number and a Shape of the Week.

PE- This will be on a Tuesday afternoon, with yoga and dough disco happening on other afternoons, however, please ensure kits are in school at all times. We will also use the outdoor area as much as possible so please send in coats/wellies and hats.

Home task- Build, draw or create a house that you would really like to live in, be creative as you like. It could have lots of bedrooms a swimming pool or even a sweet shop. Please bring into school week beginning 12th October.
