Taking Holidays during term time

We are receiving a lot of holiday requests, including requests linked to postponed covid-related holidays. Although we do understand that some parents are unable to take holidays during school holidays we have been instructed by the DfE that holidays during term time should not be authorised. If at all possible please do try and avoid taking holidays during term time, thank you.

Breakfast club

We are very happy to be able to offer Breakfast Club provision again for all children. A delicious, healthy breakfast will be available every day offering every child great fuel for learning. In order to cover our costs, there will be a charge of £1.50 per day. Any monies taken will be reinvested back into breakfast club to provide a widened variety of healthy foods, new equipment and games/activity resources. Breakfast will be free for children registered for free school meals/pupil premium.

If you wish for your child to attend breakfast club from Monday they must be booked in via the Arbor parent portal.

Reading for Pleasure

At Friday Bridge we are continuing to develop reading throughout the school. There will be an opportunity to come into school on Thursday 13th October to discover how we are doing this. In the meantime, your child will be bringing home a 'reading treasure hunt'. Please use it as an opportunity to discover the many types of reading at home:
