

SportsPremium Funding: 2019-2020

Allocation:

£16,000 + £10 per pupil (Y1-6) as at January 2019 Census) - £16870

At Friday Bridge Primary School we believe that all pupils should have the opportunity to engage in a range of different sporting activities, delivered to the highest standard. We aim to increase children’s enjoyment, confidence and participation in sporting activities through improvement of skills and widened experiences. Linked to this, we aim to ensure that all of our children recognise that exercise and physical activity is an important part of wellbeing and that, as well as gaining physical skills, they develop their understanding of what it means to be healthy and how they can incorporate physical activity and make important lifestyle choices in order to be the very best versions of themselves. This in turn will impact upon mental health, motivation, self-regulation and build upon children’s understanding of our core values: Respect, Independence, Humility, Faith, Perseverance and Courage.

Objective	Allocation	Purpose	Time	Planned Funding (Actual)	Evaluation/ Impact	Steps to ensure sustainability
To raise the profile of sports and Physical Education across the school as a tool for school improvement	Hiring of a specialised sports coach as a member of staff to lead PE and develop PE across the school	High quality lessons across the PE curriculum and to mentor other staff members in order to develop confidence and skills in teaching PE and to co-ordinate school games festivals and events across the year including inter-house events	All year	£5750	Sports leader role was changed in late Autumn term due to staffing issues- funding to be carried forward. Sports lead has shared Swimming plans with HLTA and TAs to improve the swimming teaching. Sports lead also conferred with PUPF to aid in assessments of KS2 pupils however this couldn't be completed due to school closures.	KS1 and KS2 sports leaders to lead subject together to ensure that further focus can go into promoting sports across our school

					Events were planned for end of spring term and for summer term but were cancelled due to school closures.	
To engage pupils in a wider range of competitive sports. Support all staff in developing knowledge and skills in teaching PE.	Specialist Sports Provision for all KS2 pupils Y3-6 from Peterborough United Foundation Partnership (PUFP)	Pupils have access to specialised coaching across a range of sports. School staff have the opportunity to work with professional coaches in order to develop their own practice.	All Year KS2 - Thursday	£2040	Coaching has continued to take place across the school and this has been highly effective in developing pupil skills in a range of sports including football and tag rugby. Coaches have established positive relationships with pupils and staff and have effectively contributed to PE provision. The range of sports which pupils were able to access was however limited as a result of school closures.	Sports provision to continue next year with further partnership working between school and PUFP to develop skills.
To engage pupils in a wide range of extra-curricular physical activity	Extra-curricular sports clubs led by PUFP for KS1 and KS2	After school provision for KS1 and KS2 led by specialised coaches across a range of sports	Thurs 3.15-4.15pm	£1020	There has been a good uptake on clubs throughout the year in both Key Stages- children enjoy the clubs on offer and benefit from additional coaching.	To continue to be offered next academic year
To engage pupils in a wide range of extra-curricular physical activity	Extra-curricular Gymnastics club led by specialised coach for KS1 and KS2	After school provision for KS1 and KS2 led by specialised coach	Mon 3.15-4.15	£1,000	After school club has been well attended by both key stages. Each	To be continued to be offered next academic year.

					key stage taking turns on alternate terms.	
To increase the range of competitive events which pupils partake in	Increased participation in competitive sports through funding of organisation of events and transportation	To enable pupils to participate in sporting events alongside other local primaries	TBA as organised across schools partnerships	£1000	Pupils attended a limited number of competitive events this year due to COVID-19 school closures- money to be carried to next year	Local network meetings will be attended again next year to determine local fixtures to attend, alongside county events.
To broaden pupil experiences of different sports and sporting environments	Gymnastics Day	To enable all pupils to partake in gymnastics within a fully facilitated gym- using different equipment and enhancing experience	Cost of hire, travel, coaches	£600	Due to COVID-19 closures this was unable to take place	Money to be carried forward to next year
To develop partnership working	Sports leader to attend networking, CPD and briefings with local partnerships	To develop partnership working and widen network of support thereby improving opportunities.	Additional hours, course fees	£500	Sports lead has attended all local network meetings, however due to change in teaching role, sports leader unfortunately did not attend any of the county meetings but kept in touch with events via emails.	Sports lead role is to be shared between current lead and new KS2 teacher. This will ensure that meetings can be attended and increase network coverage of attending events.
To support all pupils in achieving a good standard of swimming competence by end of KS2	Swimming for Y2 pupils and additional swimming for Y6 in Summer Term	Opportunity for pupils in Y2 to have taster sessions in swimming prior to move into KS2 and for Y6 pupils to have additional lessons to provide opportunity for all to achieve the expected standard in Swimming by end of KS2.	5 sessions in Summer Term B	Approx £1,500 (inclusive of travel)	Due to COVID-19 closures this was unable to take place	Money to be carried forward to next year

<p>To support the extra-curricular sports activities</p>	<p>Equipment</p>	<p>Resources for play leaders and staff to utilise and additional resources for lunch time and out of school activities</p>		<p>£2000</p>	<p>Stock check was completed and discussions with play leaders on a termly basis then any new equipment ordered. No new equipment needed at end of spring term due to school closure so any remaining balance to be carried forward to next year.</p>	<p>Equipment will be checked and ordered termly. £1,000 carried over to next year</p>
<p>To engage pupils and broaden pupil experiences of different sports</p>	<p>Equine Agility <i>Equine Agility is a non-mounted, competitive sport where horse and handler work together through an obstacle course for a timed score. Equine Agility strengthens the relationship between horses and humans and promotes agility of both body and mind.</i></p>	<p>Pupils in Y1/2 to access a programme throughout the year to increase understanding of equine agility and aspects of caring for and training equines.</p>	<p>6 sessions across year working towards bronze award</p>	<p>£1400</p>	<p>Equine Agility was highly motivating for pupils in Y1/2 and supported pupils who struggle to access PE in other forms due to noise levels and self-discipline. The programme was unable to be completed during Summer Term due to COVID 19 School closures</p>	<p>Further sessions to be planned for current Y1/2 cohort next year to make up for sessions missed. Equine Agility to be arranged again for next year in Y1/2.</p>
	<p>TOTAL</p>			<p>£16870 Less £4100 carry forward to next year due to closures £12770</p>
